Final electricity charges in excess of \$100 will be charged to the credit card on file. If final electricity charges are less than \$100 the deposit balance will be refunded to the credit card on file, less any other charges due per this agreement, within 10 days of the end of paid monthly reservation and removal of all guest's belongings. Guests must have a valid credit card on file at all times and agree to have the monthly fee automatically charged on the due date each month and the metered electricity charged on or about the 1st of each month to the credit card on file (a receipt will be e-mailed to you). If you prefer to pay the monthly fee in cash you must pay prior to the due date. We do not accept checks. If a payment cannot be processed for any reason a \$10 fee may be added to your account for each day the payment is late.

You also may not have personal mail sent which is addressed to you using Mountain Glen's mailing address. If you have a mail service, which we highly recommend, you may have it shipped here. Another option would be to obtain a P.O. Box in a nearby city. We are more than happy to accept packages from UPS, FedEx, etc. Packages are generally left in the laundry area. All mail sent to the campground after your departure will be returned to sender unless specific arrangements are made.
